Year 5 & 6 Indoor Athletics at Stanborough

This event took place in the sports hall at Stanborough School on Thursday 13th January. All seven schools took part making it a massive competition. Applecroft, Creswick, Holwell, Holy Family, Our Lady's and St John's Lemsford sent teams of 20 children and Lakeside sent a class of their students to join in too.

Year 11 sports leaders and staff from Stanborough's PE department officiated both the track and field events. Fortunately the Year 10 exam which was taking place that afternoon was a long way away because there was an enormous amount of noise generated by children cheering on their competitors.

The competition results were as follows;

1 st Applecroft	252 points
2 nd Our Lady's	178 points
3 rd Holy Family	176 points
4 th Holwell	160 points
5 th Creswick	136 points
6 th St John's Lemsford	118 points

Congratulations to Applecroft for winning so convincingly and good luck at the partnership final on 3rd February.

The winning team from Applecroft

Chancellors Family Yr 5/6 Sports Hall Athletics

Last Thursday 4 schools from the Chancellors Family came together for the annual Sports Hall Athletics Competition. The afternoon ran very smoothly with the Chancellors Leaders ensuring that all events ran ahead of schedule!

The competition was very close with 1 school dominating the field events and another the track. The overall winners were Little Heath, and they will now go onto represent our Family at the Partnership final on Thursday 3rd February.

We wish them every success!

The winning team from Little Heath

Monk's Walk Indoor Athletics

Dec 2010

Four schools from the Monks Walk family battled it out to qualify for the partnership finals in February. St Michael's, Templewood, Welwyn St Mary's and Oaklands gave battle at Gosling in a noisy event that was run brilliantly by the yr 12 sports leaders.

In the boys competition only 8 points separated the four teams and in the girls only 1 point between the top 3.

Results:-

Boys-- 1st Welwyn St Mary's 26 2nd Templewood 29 3rd Oaklands 33 4th St Michael's 34

Girls-- 1st Welwyn St Mary's 26 Joint 2nd Templewood & St Michael's 4th Oaklands

Overall- 1st Welwyn St Mary's 2nd Templewood 3rd St Michael's 4th Oaklands

Big thanks to all the schools who attended and we look forward to seeing Welwyn St Mary's do well in the finals representing Monk's Walk.

Onslow St Audrey's Family Sports Hall Athletics
Thursday 20th Jan 2011

Can I say well done to all the 40 pupils from Birchwood Avenue and Oak View who attended the Athletics last week. They competed well in all the Relays and Field events with some really outstanding performances from both Schools and a lovely atmosphere which was both sporting and competitive. I think the highlight for me on the day was Callum Bray from Oak View who nearly threw the Javelin out of the Sports Hall.

Oak View came out the Winners and will go through to the Partnership finals on 3rd February at Herts Sports Village

Boccia Festival on 12th January at Hatfield Leisure Centre

Only 2 schools were able to take part in the Boccia festival organized for the Bishop's Hatfield family of primary schools. St Philip Howard and The Ryde both sent children to the Paralympic event. Sport Leaders from Bishop's and Stanborough led the practice session at the beginning which involved lots of different targets to aim at. They then umpired the games which took place afterwards.
