Dear WHSPAA Partner,

Welwyn Hatfield Borough Council are delighted to announce that they will be supporting the National Campaign “This Girl Can” and boost its impact at a Borough wide level.

www.welhat.gov.uk/thisgirlcan

The aim is to offer 10 days from 3 – 13th October 2016 specifically dedicated to increasing participation in sport by women and girls across the borough. This 10 day period would encourage women and girls to get more active, be more active or try a new sport or physical activity.

We would therefore like to encourage our local sporting partners, clubs, venues and schools to embrace this initiative and open their doors by way of offering female friendly taster sessions, open days, courses and competitions and raise the profile of sport for women and girls.

If you are interested in coming on board with this exciting opportunity, please sign up to come along to our

“Women and Girls Summit”

12 May 2016 at 7pm – 9pm. Collingwood Suite, Gosling Sports Park.

This Summit will follow directly after the WHSPAA AGM

During the summit meeting you will have the opportunity to hear from some keynote speakers, giving you a better insight into national opportunities for women and sport. You will also have the opportunity to engage in an interactive workshop, allowing you the opportunity to help us shape the 10 day programme, ensuring there is a range of opportunities and plenty to inspire women and girls across Welwyn and Hatfield.

To sign up and get behind this exciting initiative, please complete the attached booking form and return to sport@welhat.gov.uk no later than 9 May 2016.

Yours sincerely,

Chloe Robertson
